Una stanza dai piani segreti, un soluzione straordinariamente flessibile ed elegante, destinata a cambiare il modo di progettare la stanza da bagno. Perfettamente coordinato, completo, configurabile e dimensionabile, il sistema LEVEL45 consente di partire da un ambiente di piccole dimensioni, per arrivare ad una vera suite da bagno. I mobili sono realizzati in multistrato di legno ad incollaggio AW100. I top e le ante sono laccati con vernici opache e lucide su base poliestere mentre gli interni sono impiallacciati in essenza rovere o noce canaletto. I moduli della serie Level 45 sono dotati di nuove attaccaglie in acciaio testate TÜV LGA con portata garantita fino a 120 kg (pari a 240 kg per modulo).

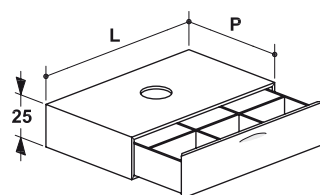

A room of secret surfaces, an extraordinarily flexible and elegant solution, destined to change how to think of bathroom furniture. An innovative system, perfectly coordinated, complete, configured, thought for a bathroom of little dimensions, as well as for a real bathroom suite. The units are made of multilayer wood, with AW 100 gluing. Tops and doors have a matt or glossy lacquering on a polyester base while the internal parts features an oak or Noce Canaletto veneering. The modules of Level 45 series feature new brackets made of steel and TÜV LGA tested, with a guaranteed capacity of 120 kg (which is 240 kg per module).
