

Elementi unici dalle forme organiche in perfetto equilibrio tra funzione ed emozione. La vasca Scoop, già premiata nel 2007 con il Red Dot Design Award, ed il lavabo a terra divengono seducenti sculture per la moderna stanza da bagno / Unique components with organic shapes: a perfect balance between functionality and emotion. The Scoop bathtub, already awarded with the Red Dot Design Award in 2007, and the floor base basin become seductive sculptures for the modern bathroom.
