A New World. Redesigned

Kitchen stories

1 | **HD SURFACE** (via Volta 18) has chosen to work with the designer David Lopez Quinoces to create a new range of colors to apply to the company's three most successful collections: *PerfectCombination*, *CoverHD* and *GeoTexture*. 2 | **Saliscendi**, a lamp designed in 1957 by Achille & Pier Giacomo Castiglioni for the Chamber of Commerce of Milan, put back into production by **STILNOVO** (via Tortona 31). 3 | **Petal** chair, shaped with 3D printing by **BASSAMFELLOWS** (via Varese 14). 4 | **Tibiti** flatware by the historic Italian fine jewelry maker **BUCCELLATI** (via Brisa 5), on hand at the Salone with an exhibition on the contemporary reinterpretation of the etiquette. 5 | **Juicy Salif Studio no. 3** citrus squeezer in a limited numbered edition, part of the 100 Values Collection by **ALESSI** (via Manzoni 14/16). 6 | In 1952, Arne Jacobsen designed the *Egg* table to accompany the *Anr* chair. 70 years later, **FRITZ HANSEN** presents a modern interpretation of this iconic design. 7 | Just sidebarboard from the *Experiencia* collection, a project by Danilo Fedeli that plays with volumes, additions and subtractions, accentuating the material contrasts between natural wood and lacquer colors. By **MATRIX** (Hall 14/ B29). 8 | Small, convivial, prestigious: *Small Living Kitchens* by **FALPER** (Hall 22/D19-D21) is a concept capable of conserving the high standards and convivial contrasts between natural wood and lacquer colors. By **ELICA**, controlled with analogue touch & feel knobs offering access functions in a quick, intuitive way. 9 | **Nickel-Triple Unobtruded** is the new hob with exhaust function by **ELICA**, controlled with analogue touch & feel knobs offering access functions in a quick, intuitive way. 10 | **Three** bowls by **STILNOVO** (via Tortona 31).
