# UNA QUESTIONE DI STILE

Elegante, moderno, disegnato con un tratto unico e originale, per rispecchiare il mio stile di vita. È fatto di mobili, lavabi, vasche e complementi pensati e realizzati uno ad uno, laccati, dimensionati e configurati secondo le mie esigenze. È frutto di un'attenzione sartoriale, ma di una tecnologia modernissima nella lavorazione dei materiali e nel metodo di produzione. Sa come rispettare il mondo in cui viviamo: ogni pannello è certificato come ecologico, tutte le finiture legno sono all'acqua e gli scarti di lavorazione sono

interamente riciclati. È figlio della cura di un'azienda italiana che porta dentro di sé i valori di una famiglia, del lavoro di designer, creativi, architetti ed artigiani che infondono una propria inimitabile identità, un'energia che si traduce in forme e proporzioni capaci di rendere ogni prodotto un instant classic. È protagonista in qualunque scenario contemporaneo, che faccia dell'eleganza e dell'originalità i propri tratti distintivi.  
È come sono io, è come mi piace vivere. È Falper.

## A MATTER OF STYLE

Elegant, modern, designed with a unique, original touch, to reflect my lifestyle. It is made up of furniture, washbasins, bathtubs and accessories, designed and created one by one, lacquered, sized and layouts arranged according to my needs. It is the result of sartorial care but with the latest material-processing technology and production methods. It knows how to respect the world we live in: each panel is certified ecological, all the wood finishes are entirely water-based and all manufacturing waste is recycled.

It is the fruit of an Italian company encompassing all the values of a family, of the work of designers, creators, architects and artisans who infuse their own unique identity into each item, an energy that translates into shapes and proportions that make each product an instant classic. It takes the spotlight in any contemporary scene that makes elegance and originality its distinguishing features. It is like me, and how I like to live. It is Falper.

## LAVABI E VASCHE WASHBASINS AND BATHTUBS

All'interno dei nostri stabilimenti, oltre 1000 mq sono destinati allo stoccaggio e alla finitura dei nostri lavabi, dei piani integrati, delle specchiere e delle vasche da bagno in solid surface, dal design unico ed emozionante, funzionali e identificati da uno standard eccellente di qualità. Le certificazioni di qualità europee e americane, l'origine biologica dei componenti, l'atossicità, la resistenza alla luce e allo shock termico sono solo alcune delle caratteristiche che rendono i manufatti Falper speciali ed irripetibili

Inside our production facility, over 1000 square metres are dedicated to the storage and finishing of our washbasins, to the integrated tops, to the mirror units and to the solid-surface baths, all of which have a unique and exciting design, functional, distinguished by excellent quality standards. European and US quality certifications, the biological origin of the components, their non-toxic nature, their resistance to light and to thermal shock, are just some of the features that make Falper products special and one of a kind.

## SPECCHI MIRRORS

Ogni specchiera prodotta al nostro interno è progettata con retro strutture tali da garantire una riflessione planare e perfetta dell'immagine. I nostri specchi sono luminosi, dotati di luci LED e OLED e di cornici in Cristalplant, in legno massello, in acciaio e in alluminio. Curiamo lo spettro colore delle nostre sorgenti luminose così che si possano percepire le sfumature della pelle. Anche se contenitive, le specchiere Falper sono bellissime da vedere, sia incassate, che semplicemente appese alla parete. Ogni giorno i nostri tecnici realizzano specchi per vedersi, per truccarsi, per illuminare, per contenere, per affascinare e lo fanno con competenza e passione.

Each mirror made inside our facility is designed with rear structures such as to ensure flat and perfect-image reflection. Our mirrors are luminous or equipped with LED and OLED lights and Cristalplant frames, in solid wood, steel and aluminium. We take care of the light spectrum of our light sources so that skin shades are clearly visible. Although designed for storage, Falper mirrors are highly appealing, whether recessed or simply hung on the wall. Every day, our technicians make mirrors for looking at yourself in, for applying make-up, for lighting, for storing and for fascinating and they do their job with skill and passion.

## RUBINETTERIA TAPS

La precisione della lavorazione meccanica più raffinata e l'acciaio inox aisi 316L sono alla base del progetto rubinetterie di Falper. Il design innovativo, l'integrazione con la componentistica più evoluta e un'inedita componibilità degli elementi sono racchiusi nelle forme pure e iconografiche delle collezioni Cilindro e Acquifero. Le nostre due collezioni sono ideale strumento di un attenta progettazione, che fa del rubinetto un elemento integrato con l'architettura della sala da bagno e della sua funzione di controllo e conduzione dell'acqua, una vera a e propria arte.

The precision of the most refined mechanical manufacturing and AISI 316L stainless steel underlie the Falper taps and fittings project. The innovative design, the integration with the most evolved components and an original modularity of the elements are part of the pure and iconographic shapes of the Cilindro and Acquifero collections. These collections are the ideal instrument of a careful design that makes the tap an element that is integrated in the architecture of the bathroom and that makes its control and water-conduction functions a real art.

# Caratteristiche / Product features

## Falegnameria / Joinery

Multistrato di betulla AW100, Idropan idrofugo, MDF, massello di rovere. / Birch plywood AW100, Idropan MDF and solid Oak.

Certificato E1 / Carb2, E1 / Carb2 Certified.

Lavorazione a 45°.  
/ 45 degrees edge.

Mobili realizzabili su misura. / Customisation available on units.

Incollaggi poliuretanici. / Polyurethane glue.

## Carteggiatura e verniciatura / Sanding and coating

Finiture all'acqua completamente prive di stirolo. / Styrol free water based finishings.

Finiture legno a olio e cera naturale. / Oil and natural wax wooden finishings.

Laccatura manuale diretta. / Direct manual varnishing.

Colorazioni speciali su richiesta. / Special finishings on request.

Procedimento di verniciatura testato per ambienti umidi. / Painting procedure tested for humid ambients.

## Montaggio / Assembly

Cassetti BLUM Legrabox di serie su tutte le collezioni. / BLUM Legrabox drawers as standard for all collections.

Stabilizzatori e sincronizzatori di serie oltre i 100 cm. / Drawer stabilizers as standard over 100 cm.

Attacchi a parete ad alta portata con sistema anti sganciamento. / Adjustable high capacity wall connections with scratch-proof safety system.

Assemblaggio di precisione con pre registrazione di cassetti e ante. / Precise assembling with pre-setting drawers and doors.

Controllo di qualità di ogni singolo mobile. / Quality control of every single furniture.

## Lavabi e vasche / Washbasins and bathtubs

Cristalplant BIO Active a base di biossido di titanio con proprietà virucide, antimicotiche ed autopulenti. / Cristalplant BIO Active titanium dioxide-based with virucidal, anti-fungal and self-cleaning properties.

Origine BIO ed emissione sostanze volatili certificata da UL. / Organic origins and emission of volatile substances certified by UL.

Riciclabile. / Recyclable.

Anti-ingiallente. Resistenza alla luce 1000 h luce xeno. / Anti-yellowing. Light resistance 1000 h xenon lamp.

Resistente allo shock termico. UNI 9429:1989. / Resistant to thermal shock. UNI 9429:1989.

5 anni di garanzia. / 5 years warranty.

Certificato per USA e CANADA e per Europa. / Certification for USA and Canada and for Europe.

Ipoallergenico e atossico. / Hypoallergenic and non-toxic.

Graffi e rotture facilmente ripristinabili. / Easily removable scratches and breaks.

## Specchi e illuminazione / Mirrors and lighting

Sistema di illuminazione "OLED" 6Wx300 lumen. / New generation OLED mirrors 6W for 300 Lumens.

Luci LED e OLED con indice CRI > 80. / LED and OLED lights with CRI index > 80.

Luce Make Up dimmerabile da 3000 a 4000 K CRI > 80. / Make Up light dimmable from 3000 to 4000 K CRI > 80.

Specchi contenitori con certificazione IP44. / IP44 certified cabinet mirrors.

Specchiere realizzabili su misura. / Customisation available on mirrors.

# PIANI INTEGRATI / TOPS WITH BUILT-IN BASINS

I nostri top integrati sono realizzati in vetro lucido laccato e satinato, in Ceramilux e Cristalplant Bio Active con resine vegetali e sono realizzabili in infinite dimensioni e configurazioni, sia da appoggio, che con installazione diretta a parete.

Our built-in basins are made in glossy and satin glass, Ceramilux and Cristalplant Bio Active with vegetable origin resins and can be made in an endless number of sizes and configurations, both as countertop and wall mounted basins.

# LAVABI / WASHBASINS

Ogni singolo lavabo Falper rappresenta un punto di riferimento per design e per cura della realizzazione. I materiali utilizzati e le finiture disponibili li rendono protagonisti dell'ambiente bagno nel quale sono collocati come elementi da appoggio, da parete o a pavimento.

Every single Falper washbasin is a reference point thanks to its design and to the care with which it is made. The materials and the available finishes make these washbasins the main items of the bathroom, where they are used as countertop, wall mounted or freestanding washbasins.

George

Laccati opachi e lucidi / Matt and glossy painted - Cat. 1 / 3

Legni / Woods

Metalli / Metals

Pelle / Leather

Pelli intere, in primo fiore, trattate con concie e procedimenti speciali che esaltano il vissuto e la morbidezza. Le pelli Baxter sono uniche, irripetibili esattamente come i prodotti Falper. Vanno trattate con cura e curate come si deve ai prodotti di grande pregio. In dotazione con ogni elemento George finito in pelle Baxter il vanity kit per la cura e la manutenzione.

Whole full grain leathers, treated with tanning and special procedures that enhance the experience and softness. Baxter leathers are unique, unrepeatable just like falper products. To be treated with care and attention as products of great value deserve. For every George element with baxter leather finishing the vanity kit for care and maintenance is included.

# VASCHE DA BAGNO / BATHTUBS

A centro stanza, a parete o incassate a pavimento, con dimensioni e finiture personalizzabili, le nostre vasche da bagno sono realizzate con i materiali più evoluti per l'uso specifico e vantano le certificazioni più severe. Vere e proprie icone del design moderno descrivono un'eccellenza senza tempo nella quale immerseri ogni giorno.

Freestanding, wall mounted or built-in, with customizable sizes and finishes, our bathtubs are made with the most evolved materials for this specific use and have obtained the most strict certifications. Real icons of modern design, they describe a timeless excellence for our everyday life.

# ACCESSORI CILINDRO / CILINDRO ACCESSORIES

La collezione di accessori Cilindro è definita da un'estetica essenziale, dal forte segno grafico, capace di contribuire a definire l'architettura dell'ambiente bagno. Oggetti dal design contemporaneo caratterizzati da forme tubolari in acciaio inox AISI 304 mixate con legno e Cristalplant Bio Active.

The Cilindro collection of accessories has a minimalist aesthetic with a dynamic graphic design impact that plays a role in defining the architecture of bathroom spaces. Contemporary design objects created using tubular forms in AISI 304 stainless steel combined with wood and Cristalplant Bio Active.
