LOVE

by Pietro Terzini

" Nel concepire l'installazione "LOVE" per Falper, mi sono lasciato ispirare dal mio primo incontro nel loro showroom, dove l'ambiente mi ha avvolto con la sua essenza e unicità. Falper incarna per me i valori fondamentali di eccellenza, innovazione e passione per il design. Con questa opera urbana, ho voluto trasmettere proprio un invito alla riflessione sull'importanza dell'amore per l'arte, il design e la creatività, usando come ispirazione i valori cardine del Brand. "

" In conceiving the "LOVE" installation for Falper, I drew inspiration from my first encounter in their showroom, where the environment enveloped me with its essence and uniqueness. Falper embodies for me the fundamental values of excellence, innovation, and passion for design. With this urban artwork, I aimed to convey an invitation to reflect on the importance of love for art, design, and creativity, drawing inspiration from the Brand's core values. "

Il mondo di *Falper.*

Nel mondo di Falper, eleganza, equilibrio e originalità convergono in una sinfonia unica. Ogni prodotto e allestimento riflette uno stile di vita dove la semplificazione è una raffinata sofisticazione. I nostri ambienti raccontano una bellezza senza tempo, da contemplare e da vivere ogni giorno, traendo ristoro e beneficio dal piacere estetico e dalla eccellenza dei dettagli che influenzino positivamente l'esperienza quotidiana.

In the world of Falper, elegance, balance, and originality converge in a unique symphony. Each product and setting reflects a lifestyle where simplification is refined sophistication. Our environments narrate a timeless beauty to contemplate and experience every day, drawing refreshment and benefit from aesthetic pleasure and excellence in details that positively influence the daily experience.

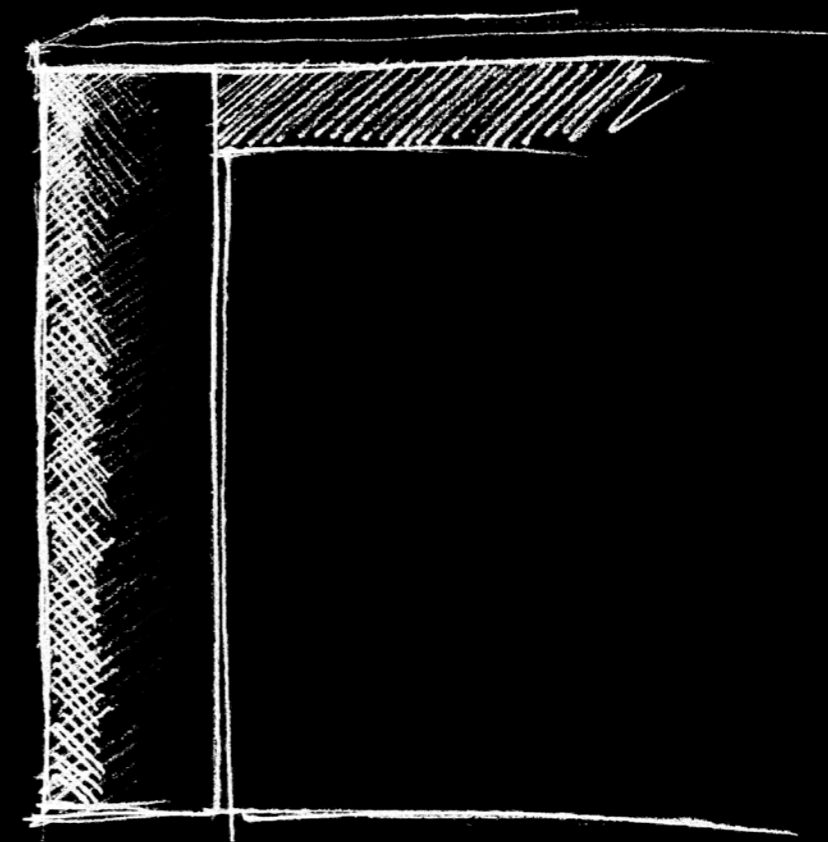

ESSENCE

Falper *design*

Il cuore pulsante di Falper risiede nel suo team multidisciplinare di architetti, designer, tecnici e creativi. Insieme, danno vita a collezioni di arredi e oggetti che rappresentano il nostro stile distintivo. La nostra filosofia di design si traduce in forme pulite, funzionalità innovativa e una raffinata estetica contemporanea. Un nuovo modo di vivere lo spazio, dove ogni dettaglio è pensato per ispirare e stupire.

The beating heart of Falper resides in its multidisciplinary team of architects, designers, technicians, and creatives. Together, they give life to collections of furnishings and objects that represent our distinctive style. Our design philosophy translates into clean lines, innovative functionality, and refined contemporary aesthetics. A new way of living in space, where every detail is designed to inspire and amaze.

Viaveneto *classica*

L'iconica collezione Falper prende vita in una nuova veste classic, con fianchi laterali curvi e un raffinato bordo bisellato dei top. Questa rivisitazione porta lo stile essenziale e sofisticato di Falper in ambienti più classici, offrendo un connubio tra tradizione e modernità senza precedenti. Benvenuti nell'eleganza senza tempo di Viaveneto Classica.

The iconic Falper collection comes to life in a new classic guise, with curved side panels and a refined beveled edge on the tops. This reinterpretation brings Falper's essential and sophisticated style into more classic environments, offering an unprecedented blend of tradition and modernity. Welcome to the timeless elegance of Viaveneto Classica.

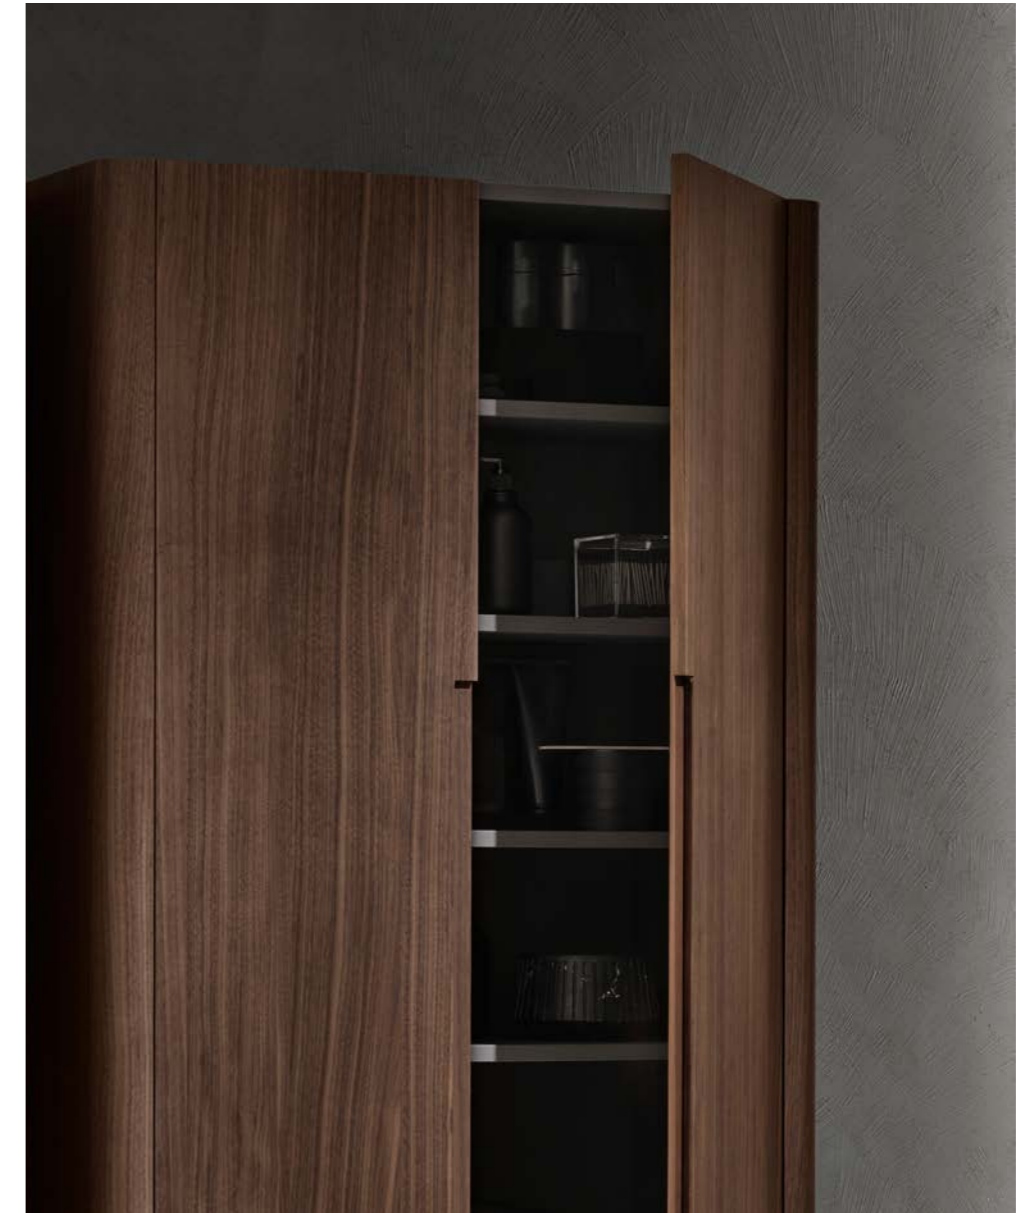

Viaveneto Classica

Falper celebra l'iconica Collezione **Viaveneto** by **Falper Design** con un'evoluzione studiata per rispondere alle esigenze di un gusto più tradizionale e che si caratterizza per forme più morbide, pur mantenendo l'elegante rigore e le proporzioni che contraddistinguono il design Falper. La collezione si distingue per l'introduzione di piani in marmo bisellati, fianchi arrotondati, una nuova gamma di specchi e nuovi lavabi da appoggio, fornendo un tocco di raffinatezza e unicità. Questa combinazione di elementi conferisce agli spazi bagno un'aura di classicità intramontabile, arricchita da dettagli moderni e sofisticati.

Falper celebrates the iconic **Viaveneto Collection** by **Falper Design** with an evolution designed to meet the needs of a more traditional taste, characterized by softer forms while maintaining the elegant rigor and proportions that define Falper design. The collection stands out with the introduction of beveled marble countertops, rounded sides, a new range of mirrors, and new countertop sinks, providing a touch of refinement and uniqueness. This combination of elements lends timeless classic sophistication to bathroom spaces, enriched by modern and sophisticated details.

Victor *Vasilev*

L'architetto Victor Vasilev basa il suo processo di ricerca nei progetti di design su alcuni punti di riferimento consolidati. Il suo stile, in apparenza rigoroso, cela un'ispirazione poetica, con la voglia di sperimentare e di sorprendere, anche se la geometria è la via maestra da seguire. Collabora con Falper dal 2018, ottenendo da allora diversi riconoscimenti internazionali.

Architect Victor Vasilev bases his design research process on a few consolidated touchstones. His apparently unembellished style conceals a poetic heart, and a desire to experiment and to surprise, although geometry remains his guiding concept. He has collaborated with Falper since 2018, receiving several international awards during these years.

Eccentrico *rigatino*

L'iconico design si arricchisce con l'inclusione del pregiato legno rigatino, che aggiunge un tocco di calore e raffinatezza alla gamma. The iconic design is enriched with the inclusion of prestigious striped wood, adding a touch of warmth and sophistication to the range. In addition to the wide selection of materials, from Cristalplant to marble, Falper continues to offer design solutions, creating a unique and refined experience, further enhanced by the presence of the new Gold PVD finish in the Cilindro faucet collection, designed by the same designer.

Eccentrico

Falper amplia ulteriormente la sua celebre e iconica collezione **Eccentrico** disegnata da **Victor Vasilev**, introducendo nuovi materiali e accenti distintivi. Il design si arricchisce con l'inclusione del pregiato legno rigatino, che aggiunge un tocco di calore e raffinatezza alla gamma. La collezione si sviluppa mantenendo la sua essenza originale, ma con un tocco di freschezza e innovazione. Oltre alla vasta scelta di materiali, dal cristalplant al marmo, Falper continua a offrire soluzioni di design creando un'esperienza unica e raffinata.

Falper further expands the renowned **Eccentrico** collection designed by **Victor Vasilev**, introducing new materials and distinctive accents. The iconic design is enriched with the inclusion of precious striped wood, adding a touch of warmth and sophistication to the range. The collection evolves while maintaining its original essence but with a fresh touch of innovation. In addition to a wide selection of materials, from Cristalplant to marble, Falper continues to offer design solutions that create a unique and refined experience.

Le ante della collezione sono realizzate in legno multistrato con superficie massellata in legno di noce e fresata. La qualità e il prestigio di questo manufatto e della collezione rappresentano lo stato dell'arte dell'arredamento per il bagno.

Andrea *Federici*

Designer e art director, Andrea Federici si occupa dello sviluppo di intere collezioni di cucine e mobili del bagno per Falper, con un percorso di ricerca iniziato circa una decina di anni fa. Le cucine Small Living Kitchens™, elette miglior progetto di Cucina con il premio EDIDA 2023, sono state disegnate rivolgendosi a coloro che abitano in piccole metrature dal gusto estremamente raffinato, oggetti preziosi e rappresentativi del loro status.

Designer and art director Andrea Federici develops entire collections of kitchens and bath furnishings for Falper, the culmination of ten years in the pursuit of innovative design. Falper's Small Living Kitchens™, winner in the Best Kitchen category of the 2023 EDIDA awards, are designed for people who live in small spaces that reflect highly sophisticated taste – exclusive objects that represent their status.

SLK *project*

SLK Project è l'evoluzione del progetto Small Living Kitchens™ di Falper. Da icona delle cucine per spazi ridotti, Small Living Kitchens™ evolve e si affaccia al mondo del contract, offrendo soluzioni egualmente raffinate ma accessibili, grazie a materiali innovativi. La gamma dei colori si amplia, con la possibilità di realizzare cucine bicolore e le piccole isole si arricchiscono di nuovi materiali come il Fenix e nobilitati di altissima qualità, garantendo un'estetica impeccabile e una funzionalità senza pari.

SLK Project is the evolution of Falper's Small Living Kitchens™ project. From an icon of kitchens for small spaces, Small Living Kitchens™ evolves and enters the contract world, offering equally refined but accessible solutions, thanks to innovative materials. The color range expands, with the possibility of creating two-tone kitchens, and small islands are enriched with new materials such as Fenix and high-quality laminates, ensuring impeccable aesthetics and unparalleled functionality.

Isola in Fenix con cassetti interni e piano snack in nobilitato Quercia scuro. Le dimensioni dell'isola sono 150 x 62 x H 90. Nella pagina precedente la versione con Madie bicolore in nobilitato Bianco e Curry opaco.

Island in Fenix with internal drawers and snack top in dark Oak laminate. Island dimensions are 150 x 62 x H 90. On the previous page, the version with two-tone Madie in White and mat Curry laminate.

Una cucina completa in soli 2.5 mq, con isola, tavolo snack, lavastoviglie, frigo, forno e contenimento. Lo charme di una grande cucina, un'inedita semplicità progettuale, ideali per piccole abitazioni con stile e complessi progetti residenziali.

A complete kitchen in just 2.5 sqm, with island, snack table, dishwasher, fridge, oven, and storage. The charm of a large kitchen, an unprecedented design simplicity, ideal for small residences with style and complex residential projects.

Isola in Fenix nero opaco con tavolo e Madie in nobilitato Quercia scuro: illuminazione interna ai cassetti e ai vani a giorni LED.
Dimensioni: Isola 180 x 62 x H 90 cm, Madie 123 x 61 x H 200 cm.

Versione Office delle Small Living Kitchens con isola e piano snack e Madia con vano a giorno in nobilitato bianco con interni Quercia chiaro, con vano a giorno per piccoli elettrodomestici. La cucina diviene elemento d'arredo, funzionale e conviviale.

Office version of Small Living Kitchens with island and snack table and Madia with open compartment in glossy white laminate with light Oak interiors, with open compartment for small appliances. The kitchen becomes a furnishing element, functional and convivial.

Inspiration *moodboard*

Le Small Living Kitchens Project si caratterizzano per la possibilità di essere configurate con varie opzioni materiche e cromatiche, combinando tra loro i piani e fianchi delle isole in Fenix, i frontali e le madie in nobilitato bianco, in colore e in nobilitato legno, anche con interni a contrasto.

Small Living Kitchens Project stands out for the possibility of being configured with various material and color options, combining Fenix island tops and sides, laminate fronts, and cabinets in white, color, and wood laminate, even with contrasting interiors.
