

Enigma

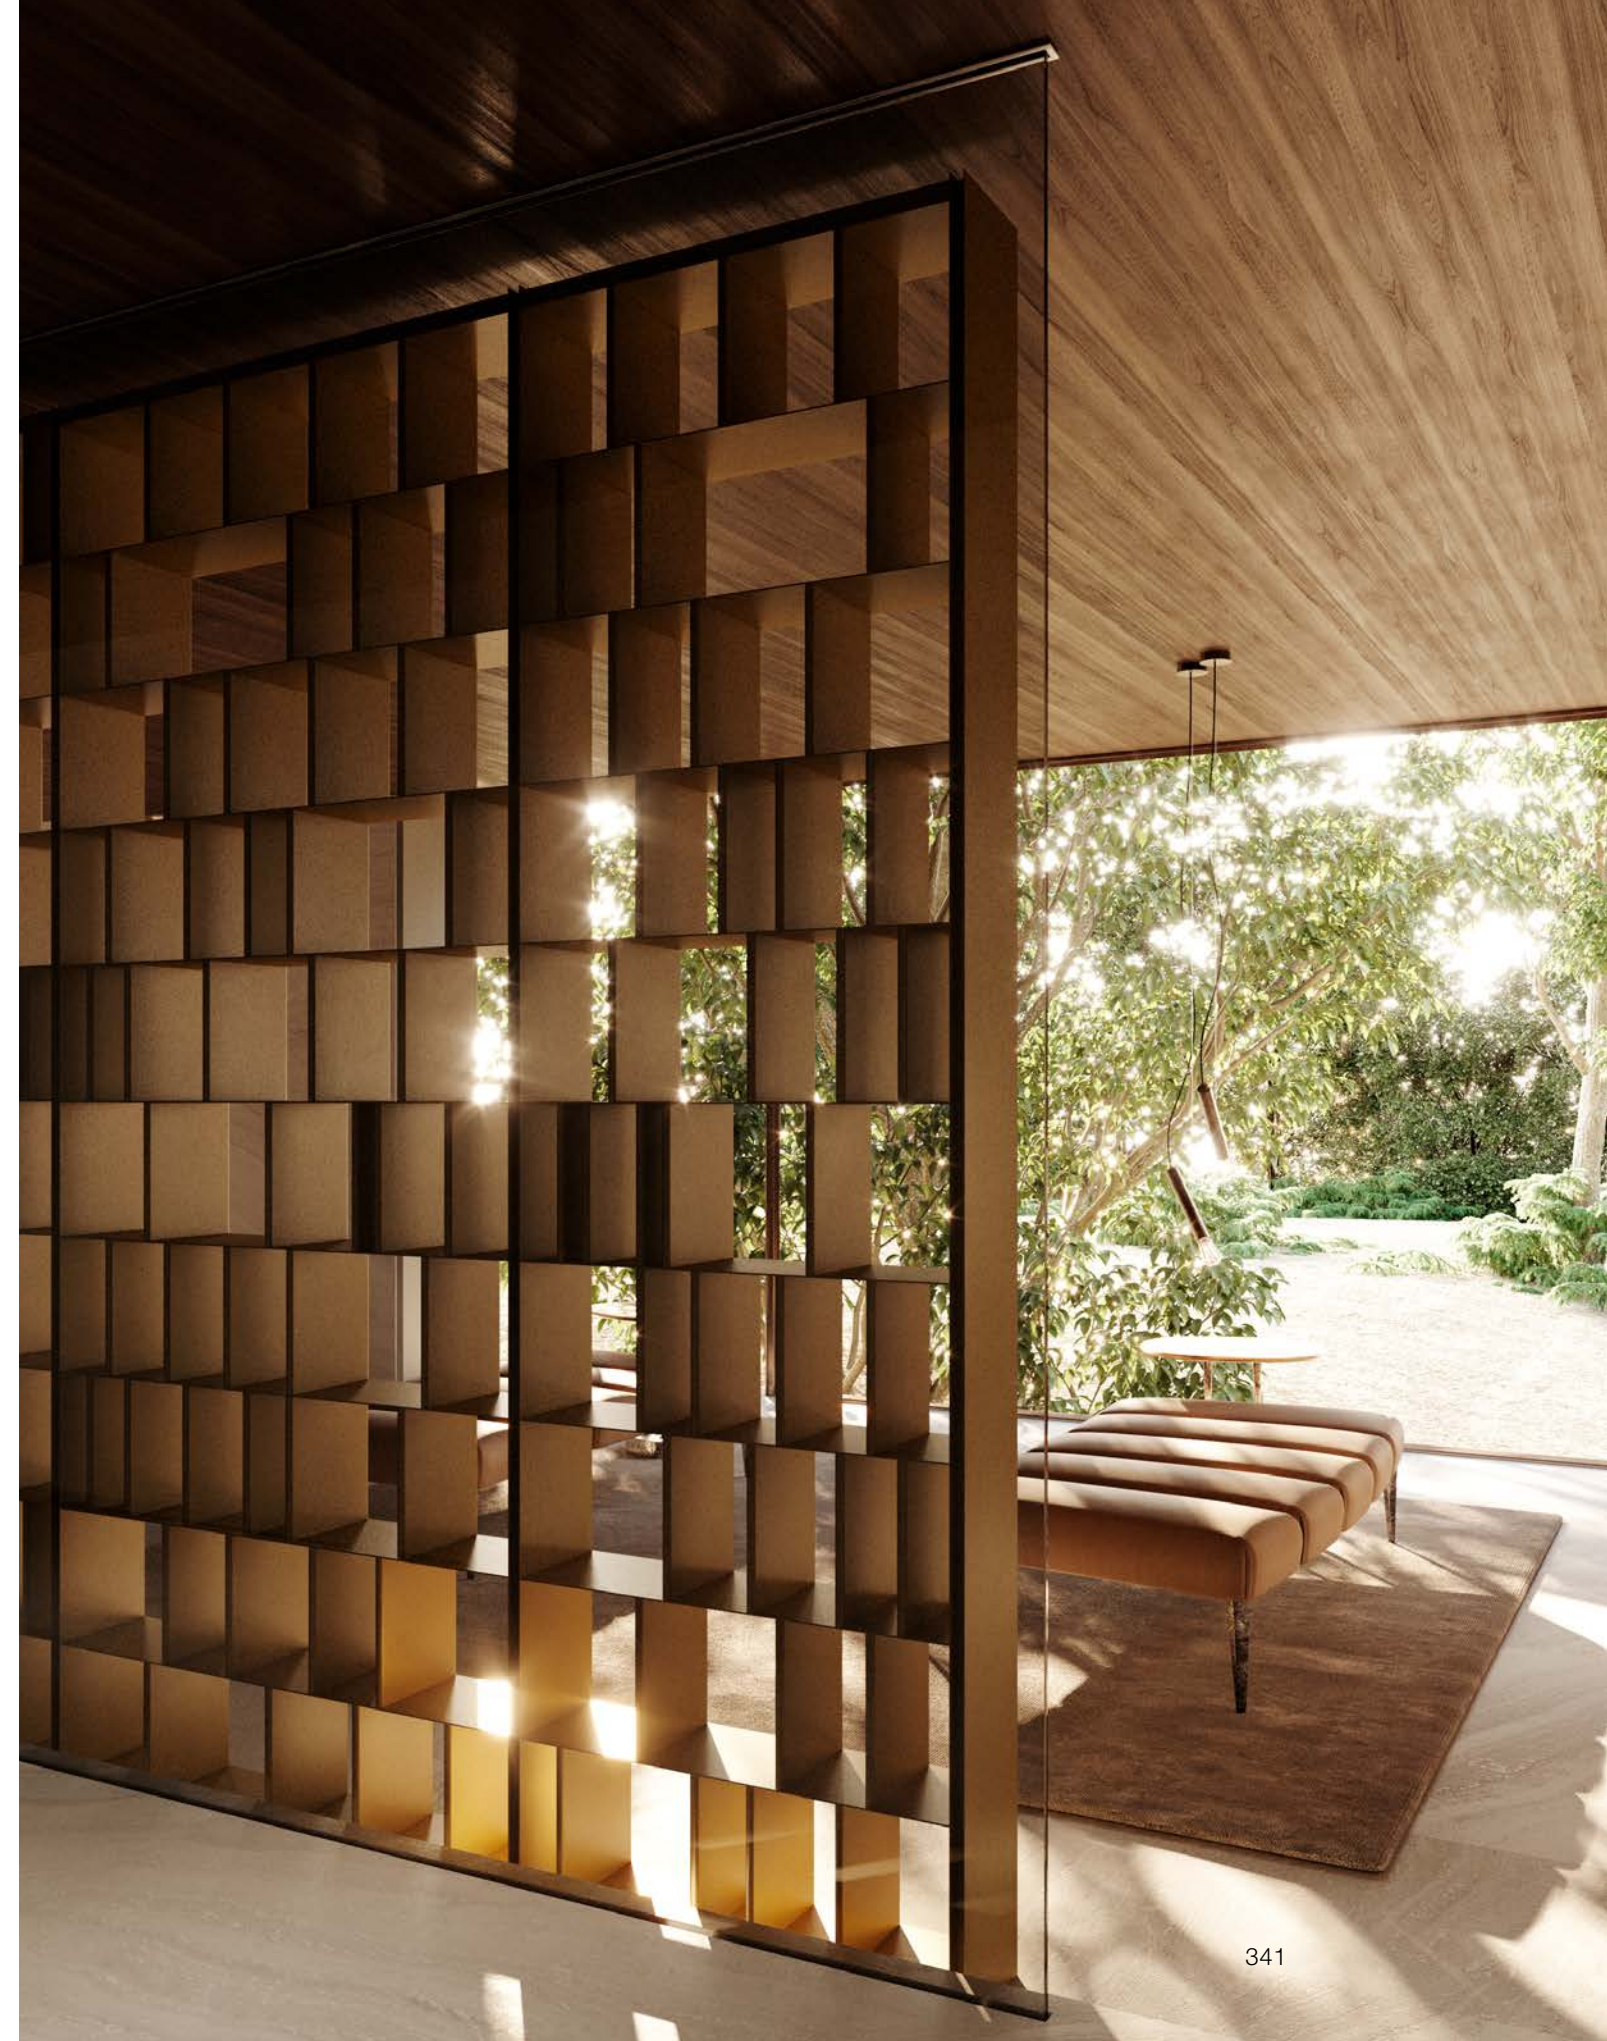

by Massimo Castagna

A bold steel bookshelf with distinct square divisions, Enigma becomes the centerpiece of any room. Ideal as a room divider or near a shower, it adds a precious touch to both bathroom and living spaces.

^(IT) Libreria in metallo finitura ottone spazzolato, composta da elementi dimensioni 80+110+80xH260xP20 cm, realizzata con ripiani di spessore 2 mm e setti divisorii con raggiatura bilaterale. Il posizionamento ideale è a centro stanza o in affiancamento ai vetri doccia, per offrire privacy, funzionalità e un affascinante elemento d'arredo.

^(EN) Metal bookshelf in in brushed brass-finish, composed of elements measuring 80+110+80xH260xD20 cm, featuring 2 mm thick shelves and double-radius dividers. Its ideal placement is in the center of the room or alongside shower glass, offering privacy, functionality, and a striking and sophisticated decorative element.

Its unique grid-like structure defines the space, adding depth and lightness while enhancing the room's atmosphere with a modern, elegant touch.
