Accessori

Accessories

The Cilindro collection by Victor Vasilev features essential lines and a graphic leitmotif that defines the bathroom.

You can choose these elements individually or combine them to create minimalist shapes.

^(IT) Estetica e funzione: il porta salviette a parete può essere personalizzato con mensola portaoggetti o con dosatore, creando un gioco di pieni e vuoti capace di definire l'estetica dell'ambiente bagno.

^(EN) Aesthetics and functionality: the wall-mounted towel rack can be personalised with a shelf or a shelf and a dispenser, creating a play of solids and voids that define the bathroom's aesthetics.

Falper si riserva il diritto di apportare modifiche ai propri prodotti senza preavviso, anche in relazione a quanto rappresentato in questo catalogo. Le dimensioni indicate sono nominali e soggette alle normali tolleranze dei materiali. Le finiture visualizzate sono da considerarsi puramente indicative e non vincolanti. L'utilizzo di materiali naturali quali legno e marmo può comportare variazioni estetiche e di forma che costituiscono caratteristiche intrinseche e unicità di ciascun pezzo. Si invita a verificare che le finiture desiderate siano effettivamente disponibili per ciascun prodotto consultando il listino in vigore o contattando i nostri uffici. Falper non assume alcuna responsabilità per eventuali differenze riconducibili a tali particolarità.

Falper reserves the right to make changes to its products without prior notice, including those depicted in this catalog. The indicated dimensions are nominal and subject to the standard tolerances of the materials. The displayed finishes are purely indicative and not binding. The use of natural materials such as wood and marble may result in aesthetic and shape variations, which are intrinsic characteristics and unique to each piece. Please verify the availability of the desired finishes for each product by consulting the current price list or contacting our offices. Falper assumes no responsibility for any differences arising from such characteristics.
