The Cilindro collection by Victor Vasilev features essential lines and a graphic leitmotif that defines the bathroom.

You can choose these elements individually or combine them to create minimalist shapes.

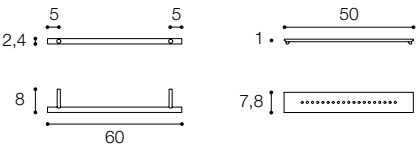

^(IT) Estetica e funzione: il porta salviette a parete può essere personalizzato con mensola portaoggetti o con dosatore, creando un gioco di pieni e vuoti capace di definire l'estetica dell'ambiente bagno.

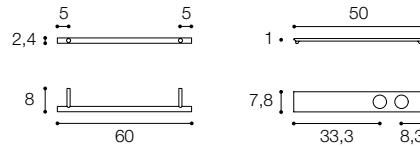

^(EN) Aesthetics and functionality: the wall-mounted towel rack can be personalised with a shelf or a shelf and a dispenser, creating a play of solids and voids that define the bathroom's aesthetics.
